

## EASY 1, 2, 3 INSTALLATION

### What do you need?

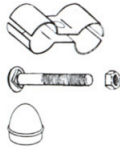

1. HAMMER
2. PLIERS...
3. AND A PARTNER

### Components:

8 KENNEL CLAMPS

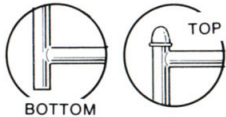

8 SETS—NUTS/BOLTS

9 DOME CAPS

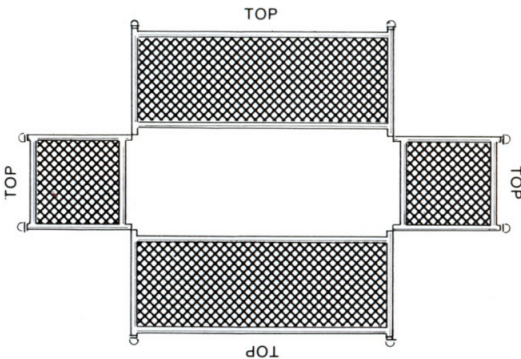

### Assembly

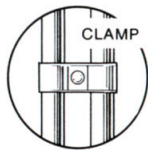

#### STEP #1

Lay panels in position, chain link fence fabric facing down, bottom facing toward center.

#### STEP #2

Have your partner stand up one long side and the adjacent short side and attach, using 2 kennel clamps, 6" from top cross bar and 6" from bottom cross bar respectively. Use 2 bolts and tighten with pliers. Repeat for all 4 corners.

#### STEP #3

After kennel is assembled, place the dome caps on each corner panel vertical pipe, and tap on with hammer.

## LIMITED WARRANTY

from *Eastern*

Eastern International, Inc. warrants to the original consumer purchaser to repair or replace any kennel enclosure (the product) due to failure of material or workmanship under ordinary use for a period of 1 year from date of purchase. Failure due to vandalism, extreme environmental conditions, faulty installation, or accidental damage are not warranted.

In the event of any claim hereunder, the purchaser must notify the dealer from whom the product was purchased and allow reasonable time for inspection by Eastern or its agent to determine whether the claimed failure is covered by our limited warranty. Proof of purchase will be required in the event of a claim.

This limited warranty gives you specific legal rights and you may also have additional rights which vary from state to state.
