WHY TIMBERTECH?

Life's different out here. One step through the door and you feel it. It's more personal, less stressful. Away from life's many distractions. Where talking takes place over texting, nature provides the backdrop, and neighbors are welcome to sit a while. As comfortable for lazy Sunday coffee as it is for a crazy Saturday cookout. And more moments are likely to be memories.

We get it. It's why we're a leading innovator in composite decking – and have been for years. Day after day, we imagine unrivaled combinations of colors, styles and mix-and-match design options that help to make your outdoor space your personal get-away - and as easy to imagine as it is to care for.

The ultimate in low-maintenance living – with a 25-year warranty that proves our dedication to perfection.

High-performance decking.
Low-maintenance living.
It's our passion.

CURVED PRODUCTS, GATES & DRYSPACE™

Railing: Evolutions Rail™ | Contemporary Style in Classic Black with Round Aluminum Balusters

CURVED PRODUCTS

Decks aren't limited to straight, geometric lines anymore, and neither are railings. Add design distinction and dramatic flair with the flexibility of our built-to-order curved decking and railing. Curved products are for decorative use only.

Custom TimberTech Gate

GATES

Gate kits are available exclusively for RadianceRail®, but custom orders can be placed for gates in other TimberTech railing styles. Consult your TimberTech contractor or dealer to discuss which gate style will work best for your outdoor living space. Gate products are for decorative use only.

TimberTech DrySpace

DRYSPACE

The smartest, simplest way to create more outdoor space. Specifically designed for second-story decks, our DrySpace drainage system collects and channels moisture from the spaces between planks — and turns the area below into versatile, sheltered leisure or storage space.

For more information on custom curved products, gates or DrySpace visit: www.timbertech.com

CREATE AFTER-DARK AMBIENCE with TIMBERTECH LIGHTING

Nothing creates after-dark ambience like the warm glow of perfectly balanced lighting. Designed to seamlessly integrate into TimberTech railings, decking and steps, our award-winning lights use low-voltage, energy-efficient LED lights to let you extend the use of your deck into the evening hours and cast a soft glow across steps and surrounding areas.

LIGHTING

Railing: RadianceRail® in White with White Composite Balusters and Lighting

Railing: RadianceRail in Kona® with Kona Composite Balusters and Lighting
Decking: ReliaBoard® in Cedar

IN-DECK LIGHT
Mounts on deck surface to produce an ambient glow. Available in Architectural Bronze.

POST CAP LIGHT
Generates a subtle glow around any TimberTech RadianceRail or RadianceRail Express® Post Cap. Post Caps sold separately.

RISER LIGHT
Gives off a soft light for added safety on stairs. Available in Architectural Bronze.

ACCENT LIGHT
Produces a delicate down-light on posts. Typically used at transition posts or near stairs for additional safety. Available in White and Architectural Bronze.

UNDER-RAIL LIGHT
Produces a subtle down-light glow in between balusters. Light fixture hides in underside of the top rail.

For more information on TimberTech Lighting products, visit: www.timbertech.com

FINISHING TOUCHES

CONCEALoc®
TimberTech's CONCEALoc hidden fastener system is designed to combine the ease of installation with the look of a fastener-free surface. Compatible with the FastenMaster® Tiger Claw Gun.

CORTEX®
Designed exclusively for TimberTech planks, TimberTech Cortex provides a discrete, hidden fastening solution for perimeter boards and stairs.

TOPLoc®
TOPLoc face and fascia fastening systems come in colors to coordinate with all TimberTech boards and are designed to minimize mushrooming. Backed with a 25-year warranty. Also available in stainless steel.

ADA HAND RAIL SYSTEM
Designed to work with all of the TimberTech railing systems, this addition meets the requirements of the Americans with Disabilities Act. Available in White and Black.

EVOLUTIONS BUILDERBOARD®
Available in Classic Black, Traditional Walnut and Brick.

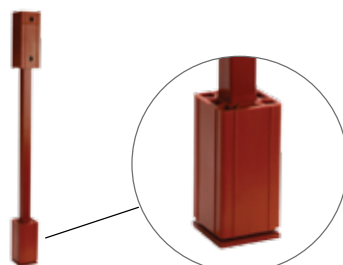

RISER
Designed for use as a riser for stairs and available in matching colors for TimberTech deck planks.

FASCIA
Gives your deck a finishing touch with various color options that coordinate with TimberTech deck boards.

END COAT
Designed to match all TimberTech colors, end coat paint serves as an aesthetic finish to complete the look of exposed end cuts.

SECURE-MOUNT POST™ & DECK MOUNTING KIT
This kit is designed to allow TimberTech railing installations on decks or concrete surfaces – no treated 4x4 post required.

WARRANTY

TimberTech products are made exclusively from technologically advanced materials designed to provide years of use and enjoyment. TimberTech decking and railing products are covered by a 25-year limited warranty for residential applications and a 10-year limited warranty for commercial applications. TimberTech Earthwood Evolutions decking is covered by a 25-year residential limited fade and stain warranty. The products are guaranteed against termites, checking, splitting, decay, rot and splintering. For a complete copy of TimberTech warranties, visit timbertech.com.
